The Board of DataCash Group plc is pleased to report its pre-close trading statement for the year ended 31<sup>st</sup> December 2009.

The Board is pleased to announce that the Group expects to report results in line with the Board's expectations.

After a quiet summer period, it is pleasing to report that volumes through many of our gaming merchants improved significantly towards year end, and, as expected, we saw increasing momentum in e-commerce in all market sectors.

Overall transaction growth continued to be very healthy, growing over 20 per cent year-on-year.

Our net cash position was in excess of £18m as at 31 December 2009.

The Board continues to view the future with confidence.
